A screenshot of the VitalSource interface. At the top, it says 'VitalSource' and '1 Course, 2 Materials'. Below that, it says 'MICROBIOLOGY FALL-CMP 2019 SA01'. There are two tabs: 'Item Info' and 'Notes'. Under 'Item Info', there is a book cover for 'Laboratory Experiments in Microbiology - 180 Day Option, 12th Edition' by Ted R. Johnson and Christine L. C... The ISBN is 9780134702575. There are two buttons: 'Opted In' (with a green checkmark) and 'Inclusive Access'. Below these buttons, it says 'The last day to opt out is 09/04/2019.' There is a red arrow pointing to a red number '1' next to a 'Want to opt-out?' button. At the bottom, there is a large orange 'Read Now' button.

Opt-Out Notes:

If students wish to opt-out of the materials for the course, the last day to opt out appears in the middle of the card.

To opt out of the materials for this course, click Want to opt-out. A pop-up will appear prompting you to provide a reason for opting out as well as the last date to opt back in, should you change your mind.

The image shows a pop-up window titled "Confirm Your Opt-Out" with a close button (X) in the top right corner. The window has a blue header area containing a book cover for "AGING" and the following text: "Aging", "ISBN: 9781506328010", and "By: Harry R. Moody, Jennifer R. Sasser". Below the header, the text reads: "Did you know? These materials often include quizzes and exams to pass your course, and not having access could negatively effect your grade. If you choose to opt-out, you can opt-in again anytime through July 5th, 2019." This is followed by the instruction: "Tell us the primary reason for opting out." Below this is a dropdown menu with the text "Select one..." and a downward arrow. At the bottom of the dialog are two buttons: "Cancel" and "Opt Out".

Student Access to Publisher Courseware (homework, quizzes, flashcards, etc.)

If your course has publisher-delivered materials, such as MyMathLab, McGraw-Hill Connect or Macmillan LaunchPad:

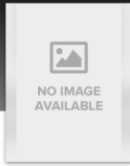

- A) *The materials will be accessed in another part of your Canvas course.*
- B) *Students will only access the TVCC Inclusive Access link if they wish to opt-out.*

Access Codes

If your course is not using a VitalSource eBook but includes a Pearson access code, students will see a button to Reveal Access Code:
